DAVID L EISENBRAUN

David L "Larry" "Doc" Eisenbraun, Silver Star
Youngstown, OH - KIA 17 September 1968 – LZ Margo

Photo of wreath placed at the Vietnam Veterans Memorial during the 3rd Recon Association's July 5, 2002 reunion. On that day all the names of the battalion's Killed-In-Action were called. When Larry's name was called Caven Cox called, "Present". Caven was handed a red rose with an American flag and card with Larry's name; he placed them at, "The Wall", near Larry's name.

Caven was at LZ Margo and very close to where Larry died; he and another Marine carried Larry's body to an area where he could be later sent home.

Joined at his final Harbor Site by my best friend,
my husband, William K "Doc" Loew, Sr.
