If you are able
save for them a place inside of you,
and save one backward glance when you are leaving
for the places they can no longer go.

Be not ashamed to say you loved them,
though you may or may not have always.

Take what they have taught you with their dying
and keep it with you always.

And in that time when men decide
and feel safe to call war insane,
take one moment to embrace
these gentle Heroes we've left behind.

In memory of all the Marines and Navy Corpsmen who served with honor in Alpha Company, 3rd Reconnaissance Battalion in the Republic of Vietnam who are guarding our final Harborsite.

Semper Fidelis, your brothers in Alpha Company
