To our brothers of the 3rd Recon Association.

We, the members of V. F. W. Post 3945 wish all of you a great reunion this September, 2012, in Williamsburg, Virginia. We thank you for your service and dedication to our country.

During your time together take a special moment in remembrance our P.O.W.s, our M.I.A.s, our hospitalized veterans and the families of these veterans and our brothers and sisters who gave their lives for our great nation.

…and to our troops, in harm's way. Keep them in our prayers and thoughts as they protect us from those who would do us harm.

"God Bless" all of you and God bless America

Enjoy your reunion.

From your brothers and sisters of V. F. W. Post 3945
